

The International School of Choueifat – Lahore

Registration Procedures for New Students – 2010-2011

I Documents for Entry to KG1 & KG2

Along with the completed application form, the following documents are required before a child is interviewed:

1. Three recent passport-size photographs
2. A copy of the child's passport or any official Birth Certificate (not a hospital certificate)

Documents for Entry to Grades 1-13

Along with the completed application form, the following documents are required before the child is administered a diagnostic test in English and Mathematics.

1. Three recent passport-size photographs
2. A copy of the child's passport or any official Birth Certificate (not a hospital certificate)
3. A copy of the child's last promotion academic report
4. Application regarding subject selection from Gr.10 onwards.
5. Grades transcript for last 3 years, for admission to A-Levels.

II Diagnostic Tests

Prospective students of KG 1 are interviewed: they must be able to speak and to follow simple instructions and they must be toilet-trained.

Students (KG 2 – Gr.10) regarded as suitable candidates will take **diagnostic tests** in English and Mathematics.

For Grades 11 and above the diagnostic test will depend on the subjects the student wants to take.

Provisional registration may be considered for students not able to take diagnostic tests by mid-August (please ask if interested).

III Registration

Parents may register their child upon his/her passing the diagnostic tests. **Places are guaranteed only when the required fees are paid within 24 hours.**
